Hi Greg

Please see below for the comment for CMALT. Let me know if you need me to include anything else.

Greg has been enthusiastic and committed in provided support for staff across a range of areas. He has developed and delivered staff development sessions on the use of Camtasia Studio 8, Turnitin and Grademark as well as supporting staff through participation in the Help I'm no Techie (HINT) group. Greg also supports staff by raising awareness of other learning technologies(e.g. OneNote) and delivers sessions to individuals and groups of staff/ who have varying levels of ability. This academic session the institution has rolled out full implementation UWS's new VLE (Moodle) and Greg has provided both direct support for teaching staff, and staff in his own department as well as support through the development of online support guides(Downloading Turnitin Assignments). These guides are of a high standard and are well received by staff. Feedback from staff in relation to Greg's supportive and helpful manner, knowledge and expertise has been very positive.

Regards
Marcella
